Duncan Cameron, Esq.,

Imperial Bank of Canada,

Toronto.

Dear Mr. Cameron:

At present the University is closed and we could not get any student to undertake the work that you wish to have done. However, the Registrar tells me that he thinks that when the students return he may be able to get some woman student who would be willing to undertake the work. I will communicate with you later in regard to this matter.

Yours sincerely,

President.

Dear Mr. Cameron:

On my return from New York this morning I got your letter asking me to be present at the meeting of St. Andrew's Society last Thursday which was addressed by Dr. Grant. I am sorry that I was unable to be there, but I left for New York on Wednesday night.

Yours sincerely,

President.
